

S.18.01 – Projection of future cash flows (Best Estimate – Non Life)

General Comments:

This section relates to annual submission of information for individual undertakings.

This template applies only to Best Estimate and the following shall be considered:

- All cash flows expressed in different currencies shall be considered and converted in the reporting currency using the exchange rate at the reporting date;
- The cash flows shall be reported gross of reinsurance and undiscounted;
- In case the undertaking uses simplifications for the calculation of technical provisions, for which an estimate of the expected future cash-flows arising from the contracts are not calculated, the information shall be reported only in those cases where more than 10% of technical provisions have a settlement period longer than 24 months.
