S.30.04 - Outgoing Reinsurance Program shares data

General comments:

This section relates to annual submission of information for individual entities.

This template is relevant to insurance and reinsurance undertakings with an outgoing; reinsurance and/or retrocession program including any coverage provided by State backed reinsurance pool arrangements, excluding facultative covers.

This template shall be filled by the insurance and reinsurance undertaking which is transferring underwriting risk to the reinsurers through a reinsurance treaty whose period of validity includes or overlaps the next reporting year and are known when filling the template. If reinsurance strategy changes materially after that date or if the renovation of the reinsurance contracts are performed later than the reporting date and before next 1 January, the information on this template shall be re–submitted when adequate.

	ITEM	INSTRUCTIONS
C0010	Reinsurance program code	Unique code (undertaking specific) covering all the individual reinsurance placements and/or treaties which belong to the same reinsurance program.
C0020	Treaty identification code	Treaty identification code that identifies it exclusively and must be maintained in subsequent reports, usually the original treaty number registered in the company's books.
C0030	Progressive section number in treaty	The progressive section number assigned by the undertaking to the various sections of the treaty, in those cases where the treaty, for example, covers more than one line of business, as defined in Annex I to Delegated Regulation (EU) 2015/35, or covers different lines of activity with different limits. Treaties with different conditions are considered different treaties for the submission of information and shall be reported in different sections. For different lines of business covered under the same treaty, the conditions referring to each line of business will be detailed separately under each section number. Treaties covering different type of reinsurance (e.g. one section on a Quota Share basis and another one on XL) in the same treaty shall be reported in different sections. Treaties covering different layers of the same program shall be reported in different sections.
C0040	Progressive number of surplus/layer in program	The progressive surplus/layer number, when the treaty is part of a wider program.
C0050	Code reinsurer	Identification code of the reinsurer by this order of priority: - Legal Entity Identifier (LEI); - Specific code attributed by the undertaking
